## CONCLUSIONS/RECOMMENDATIONS

---

SPCHS met 4 of 4 goals for the 2019-2020 school year. The 10<sup>th</sup>-grade FSA ELA goal could not be evaluated. 93% (58 of 62 students) were college ready as measured by passage of the college placement test or PERT. 100% of seniors graduated with a high school diploma (20 of 20). 100 (20 of 20) graduated with 20 or more college credits. 93% (1160 of 1239) of classes were passed with a grade of C or higher.

SPCHS graduates met expectations. There is room for improvement in college placement test scores and the percentage of classes passed with a grade of C or higher. The return of assessments for the 2020-2021 school year will allow tracking of performance toward the goal of sophomore passage of the FSA ELA assessment. Similar goals should be set and met for the 2020-2021 school year.
